Web Development:

- **The Odin Project - Full Stack Javascript**
    - In May 2020 I lost my job due to Covid19. I then decided to invest my time in learning web development.
    - Completed the self-taught Full Stack Javascript path in December 2020.
    - Completed Projects: https://studiousvanilla.github.io/portfolio/

- Through The Odin Project I became proficient in **HTML5, CSS3** and modern **Javascript.**

- Front-end Tech Stack I have worked with:

Frameworks: **Vue** & **React**	Compilers: **Babel**
Templating: **JSX**	Formatters: **Prettier**
Package Manager: **NPM**	Linters: **ESLint**
Version Control: **Git**	Testing: **Jest**
Bundler: **Webpack**	Hosting: **Github**
Database: **Google Firebase/FireStore**	Text-editor: **Visual Studio Code** (VSC)

- Back-end Tech Stack I have worked with:

Environment: **NodeJS**	Encryption: **Bcrypt**
Frameworks: **Express**	Authentification: **Passport JS** & **JSON Web Tokens** (JWT)
Templating: **Ejs**	Environment Variables: **Dotenv**
Version Control: **Git**	Hosting: **Heroku**
Database: **MongoDB**	Utilities: **Nodemon, REST Client**
Object Modelling: **Mongoose**	Text-editor: **Visual Studio Code** (VSC)

Education:

- **Leaving Certificate: 540 points 2011**

- **Trinity College Dublin: II.I Degree in Economics & Geography 2015**

    - Trinity ambassador for my home county, Kildare
    - Appointed to the Dean's Roll of Honour for commitment to extracurricular activities
    - Nominated for best individual effort 2013-2014 by Central Societies Committee
    - Awarded best undergraduate essay in geography 2014

- **International House Dublin: CELTA - B Grade April 2018**

- **Dublin City University: I Certificate in Computer Programming 2020**

Work Experience:

- **ESL Teacher - Vaughan Systems (February 2020 - May 2020)**
  - I currently work as an ESL teacher for Vaughan Systems. I teach online to students of every level (A1 - C2).

- **ESL Teacher - Citas College (September 2018 - December 2019)**
  - I worked as an ESL teacher, designing, creating, and delivering lessons to students from different countries of every level (A1 - C2).
  - I was involved in editing and designing appropriate syllabuses for classes.
  - I invigilated formal examinations, such as the Trinity ISE examination and Cambridge English FCE and CAE exams.
  - I was also involved in the training and orientation of new teachers.

- **ESL Teacher - International House Dublin (May 2018 - September 2018)**
  - I was responsible for B1 and B2 students.
  - I also organised and led after school activities such as football, drama and a number of excursions into Dublin city.

- **Digital Marketing Analyst - Segmatic (September 2017 - March 2018)**
  - I worked as a 'paid search' analyst specializing in Google Adwords
  - I was responsible for a client's Ireland, Australia and New Zealand accounts.
  - I analysed the keyword performance, managed the ad creation and I was responsible for the budget across all the ad campaigns within the account.
  - I also generated reports based on KPIs such as CTR, ROI and Ad position.
  - This role had a strong Excel focus: pivot tables, index matches, reporting

- **Work & Holiday Visa, New Zealand (August 2016 - July 2017)**
  - Vineyard worker
  - Hostel Management

- **Risk Analyst - Opus Fund Services (January 2016 - June 2016)**
  - Was a previous client that offered me a job
  - I worked with the risk team, as well as liasoning with the compliance, banking, investor relations and legal teams on a number of projects.
  - I designed process documentation and training manuals for new employees within the company, and supervised the updating of previous policies.
  - I led the remote training of new employees in the Philippines.

- **Lincoln Recruitment - Recruitment Consultant (November 2015 - January 2016)**
  - Versatile role consisting of Business Development , client & candidate meetings, meeting sales targets and database management.

- **Hamilton Library - Library assistant, Trinity College Dublin (September 2012 – November 2014)**
  - Role required reliability, punctuality and precision.
  - Further experience in working in teams and over-time becoming a senior member, where I assisted in the training of new employees.

Additional Skills

- Experience working with Python and Java programming languages
- MS Excel: Pivot Tables, Index Matches, Report Generation
- Audio editing - Garageband, Audacity
- Video editing - iMovie, Final Cut Pro
- Photo editing - Adobe Photoshop, Affinity Photo
- Some experience with eLearning software - Articulate, Rise
